

Spring 2:

Adventures and Inventors

Week beginning: Monday 26th March 2018

English - This week we will continue to focus on the short film 'soar'. We will be writing diary entries and letters as part of the text. We will be checking to ensure that we are always using the correct punctuation.

Maths - We will be working on identifying and recognising the properties of 2D and 3D shapes. We will be learning about edges, sides, vertices, lines of symmetry and faces. We will be looking at the shapes in our everyday environment.

Topic - This week we will be learning about Easter and why we celebrate Easter. We will also be learning about the seasons and the changes that occur across them.
