

Spring 2

Week beginning: Monday 26th February 2018

English - This week we are learning about the text 'Where the Wild Things Are'. We will create our own Wild Things and write character profiles for them. We will be learning how to improve our word choices by using a thesaurus.

WHERE THE WILD THINGS ARE

STORY AND PICTURES BY MAURICE SENDAK

Maths - This week we are learning about 2D and 3D shapes. We will be describing the properties of shapes e.g. how many sides or edges they have, how many vertices. We will be learning to identify the lines of symmetry within 2D shapes.

Topic - As part of our World Book Day celebrations, we will be drawing and designing our own 'Wild Things'.
