## Pupil premium policy

### 1. Aims

This policy aims to:

- *Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible*
- *Set out how the school will make decisions on pupil premium spending*
- *Summarise the roles and responsibilities of those involved in managing the pupil premium in school*

### 2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

### 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to diminish or narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

### 4. Use of the grant

Decisions on how to use the pupil premium funding with school are made by using information gathered at various points of a child's journey through school and from several sources. These include:

- *On-going knowledge of the context of our school and some of the main challenges and barriers that our pupils tend to face, e.g. a high proportion of children for whom English is an additional language and lower access to wider life experiences beyond the local community*
- *On-going assessments within class*
- *Termly tests in Maths and English (Key Stage One)*
- *Phonics Tracking completed half termly*
- *Pupil Progress Meetings held by the Headteacher termly for whole class cohorts*
- *Half termly progress meetings held by the Deputy Head and SENCo/Inclusion Manager for those children eligible for Pupil Premium, or have identified SEND or are classed as 'vulnerable' learners*
- *Engagement with parents to take their views on the needs of their child*

- *Use of evidence of good practice from both evidence-based research and resources from the **Education Endowment Foundation** and learning from what works specifically in our school*

Some examples of how the school may use the grant include, but are not limited to:

- *Providing extra one-to-one or small-group support*
- *Facilitating pupils' access to the curriculum by the provision of specialist resources or equipment*
- *Additional teaching or learning opportunities*
- *Engaging with parents to support them with helping their children at home*
- *Providing home learning resources*
- *Employing extra teaching assistants*
- *Running intervention sessions within school time (for example, for children who need extra help with Maths or English)*
- *Funding educational trips and visits*
- *Addressing a wide range of needs, and take group and individual needs into account*
- *Extended school provision, including access to after school clubs and breakfast club*
- *Extended sports provision*

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

Our pupil premium strategy is available here: <http://www.pentlandinf.co.uk/page/pupil-premium>

We will publish information on the school's use of the pupil premium on the school website in line with the requirements set out in our funding agreement and the DfE's guidance on what academies should publish online.

## 5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception, Year One and Year Two.

Eligible pupils fall into the categories explained below.

### 5.1 Ever 6 free school meals

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### 5.2 Looked after children

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

### 5.3 Post-looked after children

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### 5.4 Ever 6 service children

Pupils:

- *With a parent serving in the regular armed forces*
- *Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census*
- *In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces*
